

PAF® Alias

Using **Alias** data helps identify properties that have additional address characteristics.

Home owners often refer to their property by a name.

Hello My Name Is

22 Anystreet may also be referred to as 'The Hollies'.

The Hollies

Alias can also be used to identify businesses working from home.

Home business

County Alias records include historic county names, administrative and postal county information.

Delivery Point Alias records include additional information such as trading names and building names.

Thoroughfare records include alternative, unofficial and combination names used locally for streets and thoroughfares.

Locality records include local names and Postally Not Required (PNR) details.

There are four types of record:

Locality

Thoroughfare

Delivery Point Alias

County Alias

Alias contains over **3 million** records.
