

Royal Mail Address Management Unit

New sectors and localities to 19th April 2019

The table below shows the sectors and localities applied to the Postcode Address File (PAF[®]) system this month. However, these will not appear on the monthly products until they have been allotted individual codes. If you receive either the Mainfile or the Changes product you will see the new localities on the reference files.

New locality in area*	New sector	Postcode	Double dependent locality	Dependent locality	Post Town	Locality added for new development
