Website Use

What is it?

The term **Website Use** is used to describe a type of fee. This fee is designed to cap the liability of organisations who are using PAF® on their Website.

How does it work?

An End User may use PAF to **capture or verify address details** of **users** of an **End User's Website** where:

A: Website users are **not**

- the End User's employees
- concerned with the provision of services to the End User (unless acting in a personal capacity),

B: neither the use of

- the Website
- the End User's product and service offering is connected with the management of address data or Data Cleansing,

C: the address capture or verification is carried out for the purpose of the receipt of products or services enabled by the Website.

The Website Use Fee authorises a single End User's Website Use only. Full PAF – £8,210 · Part PAF – £5,000
Multiple Residence – £965 . Not Yet Built – £965
